## About Us:

### Chelsea Hopson (ch2014)

I am a second year PBS student and I love getting involved in causes important to me, such as my role in Cambridge Rape Justice Society and my role as a CAMbassdor. In my free time, I play football and I’m learning

BSL.

### Sophia Evennett-Bowker (se481)

I am a second year BioNatsci and I’m keen to do more work within Downing after loving my experience as a Frep and a Downing Ambassador. I also love women’s football and I’m the Social Sec for DCAFCWNB.

We are both passionate to bring more discussion and action around how to improve gender-equality in college!!! 😊😊
