

# Eliza Sears-Rowe es2049

Hi, I'm Eliza and I'd love to be your new communications officer! I'm from Bristol and I'm a first year studying theology.

The weekly bulletin is a really lovely way to stay involved with everything happening in college, and I'd love to be a part of it. I am good at writing, organised, and chronically online, so the JCR Instagram account would be in safe hands!

## My ideas:

- > encourage more people to put their events in the bulletin
- > increase transparency about JCR meetings and decision-making, by improving attendance and making the minutes easily accessible
- > implement a regular feedback form to improve communication between the JCR and students
