Bio

Hi I'm George, a Second year studying PBS, and I'm running to be your Comms officer! When I'm not yapping in R4, I spend my time playing the piano and sunbathing on the paddock (now the weather's finally cheered up).

I want to use my time as Comms officer strengthening the JCR Committee's relationship with the wider student base!

My plans:

- Use the JCR Instagram to collect your opinions and **represent you** at the JCR committee meetings
- Hold **focus groups** alongside other committee members to bring your experiences to the table
- Upload **JCR meeting minutes** to the JCR website to ensure greater transparency with Students
- Bring back the JCR weekly bulletin to **streamline communication** and declutter your inboxes!
