LEAH LEVMAN & ISABEL HUANG AS YOUR 2025-26 JCR BAME OFFICERS!

ABOUT US...

Hey, we're **1st-years** studying **HSPS!**

Leah is half-Bajan,  and Isabel is Singaporean-Chinese.  As part of the BAME community, we are eager to improve inclusivity and heighten cultural awareness of Downing's ethnic diversity. We hope to spread the **Downing love**, making college an even more **supportive community for racial minority groups to thrive.**

OUR VISION...

- Launching BAME **cross-college socials** by liaising with their BAME Officers (Eg. Kings, Newnham, Churchill, etc.)
- Hosting an **annual BAME formal**, bringing in multiple BAME **alumni speakers** to share their diverse experiences, with a large proportion of proceedings going to racial equality charities
- Increasing **awareness of ethnic festivals and national independence days** via **informative posters** in the Downing Electronic Newsletter (Cinco de Mayo, Diwali, etc.)
- Hosting frequent **BAME Film Screenings** based on recommendations & feedback from students
- Launching a Chinese New Year and Día de Muertos formals, as well as for other **cultural celebrations**
- Advocating for a **greater range of ethnic foods** in hall
