

Sam Partridge for JCR

Vice-President

About Me:

JCR Treasurer for 2024-25
Second Year Economist
sp2165@cam.ac.uk

MY COMMITMENT:

I promise to be an accessible, effective representative who ensures that the JCR is a powerful voice for students and addresses the everyday concerns of the Downing community.

MY POLICIES:

Effective Administrative Liaison

During my tenure as JCR Treasurer, I've developed a strong understanding of the structure of college administration. I'll use this understanding to cut through the red tape that has held back previous JCRs and achieve tangible results on the issues that matter most to Downing students.

Regular JCR Meetings

I will establish consistent, structured JCR meetings with clear minutes and follow-up actions. I will also ensure that the decisions and wishes of the student body translate into real action by college.

Rent Increases

I will work against unnecessary rent increases by leveraging my knowledge of the college finances to negotiate the fairest rates for students. I have experience running and assessing the JCR room ballot, and will ensure that rooms continue to be priced, and banded, fairly.

Completing the JCR Refurbishment

I'm committed to finishing the JCR refurbishment project. Having managed the financial aspects previously, I understand both the budgetary constraints and practical requirements that can satisfy students' priorities for the space.
